★ Cancellation Policies

1. All cancellations must be received in writing and confirmed by the boomerang project for it to be considered valid. Lack of payment of the amount in full or the deposit prior to the start date of the conference is not considered a cancellation.

2. A written cancellation must be received in writing 14 days PRIOR to the start date of the conference for all charges to be refunded and/or cancelled in full. If a cancellation is received WITHIN the 14 day period before the conference start date the deposit becomes non-refundable and will be kept by the boomerang project.

3. If a written cancellation is not received and/or the participant does not show up to the conference the boomerang project reserves the right to charge the full amount of the conference cost.

Link Crew has become a critical component of our school's focus on wellness and sense of community. Our new grade 9 students and their parents feel connected and a part of our school culture from day one, and our grade 11 and 12 leaders are empowered to bring about the positive changes that they see as vital to a strong sense of belonging.

In addition to certifying you as an official Link Crew Coordinator, the boomerang project offers both college credits through Chapman University and professional development hours in most states. The certification and credit hours will only be given to a participant if all sessions of the conference are attended by the participant.
